

GigLine Safety & Compliance

Service Agreement

Client: BackendTest Corp

Service Tier: Medium

Date: April 17, 2026

Scope

One on-site safety walkthrough at the address provided by the Client. The walkthrough covers a visual assessment of workplace safety conditions, compliance gaps, and hazard exposures.

Deliverable

A written Safety Check PDF report delivered within 48-72 hours of the on-site walkthrough. The report includes findings, photographs, and a prioritized corrective action list.

Exclusions

This engagement does not include: program rewrites, incident investigation, new safety program development, engineering assessments, or industrial hygiene sampling. These services are available as separate engagements.

Payment

Payment is collected via Stripe at the time of booking and is non-refundable after the walkthrough has been conducted. If the walkthrough is cancelled by the Client more than 48 hours before the scheduled date, a full refund will be issued.

Relationship

GigLine Safety & Compliance operates as an independent contractor. Nothing in this agreement creates an employer-employee, agency, or joint venture relationship between GigLine and the Client.

Governing Law

This agreement is governed by the laws of the State of North Carolina.
