5. Effect on the master agreement

This change order does not modify the ongoing monthly Ongoing Safety Support scope, fees, or capacity described in the master agreement. Work under this change order does not count against the monthly eight-hour capacity.

6. No guarantee

Consistent with the master agreement, GigLine does not guarantee that every hazard will be identified, that every incident will be prevented, or that the client will avoid citations. GigLine will exercise reasonable professional care within the scope described in Section 2.

7. Signatures required before work begins

Work under this change order does not begin until both signatures are present.
