Annual Review, GigLine Ongoing Safety Support

Client: [CLIENT LEGAL NAME] **Client code:** GL-[CLIENT-CODE] **Review period:** [START YYYY-MM-DD] to [END YYYY-MM-DD] **Meeting date:** [YYYY-MM-DD] **GigLine:** Vince Lawrence **Client attendees:** [NAMES AND TITLES]

1. Purpose of this review

The annual review documents what changed during the last 12 months of engagement, identifies what worked and what did not, and proposes a focus for the next 12 months. It also flags any scope-adjustment triggers per the SOP.

2. Where the program started, baseline

Reference the initial Compliance Readiness Visit report ([DATE]) and summarize the baseline in three bullets.

- [Baseline observation]
- [Baseline observation]
- [Baseline observation]

3. Where the program is today

Same three bullets, this time about the state on the review date.

- [Current observation]
- [Current observation]
- [Current observation]

4. Findings movement

METRIC	COUNT
Findings opened during the review period	#
Findings verified and closed during the review period	#
Findings still open on the review date	#

METRIC	COUNT
Findings deferred with written client acknowledgment	#
Repeat findings (same standard, same location, opened twice)	#
Program-level findings still open	#

5. Areas that moved from unmanaged to managed

Program areas or hazards that had no working system 12 months ago and now have a working system.

- [Area]
- [Area]

6. Areas that still need attention

Program areas or hazards that are still not adequately managed.

- [Area], with recommendation
- [Area], with recommendation

7. Recordable events and near misses this year

DATE	TYPE	BRIEF DESCRIPTION	OSHA RECORDABLE (Y/N/PENDING)	CORRECTIVE ACTION TRACKER ID
YYYY-MM-DD	Injury / Illness / Near miss	[Brief]	Y/N	GL-CLIENT-YYYY-###

If none, state plainly: "No incidents or near misses reported to GigLine during the review period."

8. Training completion for the year

Summarize training completion for the topics tracked as part of the engagement:

TOPIC	REQUIRED AUDIENCE	COMPLETED	OVERDUE	NOTES
[Topic]	[Group]	#	#	[Note]

9. Scope-adjustment triggers, if any

Per the SOP, note any triggers that have occurred during the review period:

- ☐ New location added
- ☐ New shift added
- ☐ Employee count exceeded 50 for two or more consecutive months
- ☐ New high-hazard process introduced
- ☐ Travel distance increased beyond 45 minutes from Kernersville
- ☐ Recordable OSHA event or citation during the review period

For any trigger checked, describe the proposed scope adjustment for the next 12 months.

10. Recommended focus for the next 12 months

Three priorities, in order.

1. **[Priority one]** [Rationale, one to two sentences.]
2. **[Priority two]** [Rationale.]
3. **[Priority three]** [Rationale.]

11. What GigLine did well this year

Written by the client contact during the review meeting, one to three lines.

12. What GigLine should improve for next year

Written by the client contact during the review meeting, one to three lines.

13. Continuous improvement note

One thing that would have made this year easier for the client, and one thing that would have made it easier for GigLine. Recurring themes across annual reviews feed the next SOP revision.

- Client:
- GigLine:

14. What this document is not

- Not an OSHA-approved audit.
- Not a certification of compliance.
- Not a warranty or guarantee of future program performance.
- Not a legal opinion.

The employer retains authority and responsibility for its workplace, employees, supervision, corrective actions, and compliance obligations.

15. Sign-off

GigLine acknowledges review meeting completed:

Vince Lawrence, _____ **Date:** _____
