Monthly Management Summary

Client: [CLIENT NAME] **Client code:** GL-[CLIENT-CODE] **Service month:** [MONTH YYYY] **On-site visit:** [YYYY-MM-DD] **Report delivered:** [YYYY-MM-DD] **GigLine on-site:** Vince Lawrence, [HH:MM] hours

1. Period covered

This summary covers the [MONTH YYYY] service month, including the on-site visit on [DATE] and remote support performed on [DATES].

2. What closed this month

Findings verified and closed since the last summary:

- **[GL-CLIENT-YYYY-###]** [Short description] Verified [YYYY-MM-DD], method: [photo / document / observation].
- **[GL-CLIENT-YYYY-###]** [Short description] Verified [YYYY-MM-DD], method: [photo / document / observation].

If nothing closed this month, state that plainly: "No findings closed this month. See Section 4 for the reason."

3. What is on track

Findings that are in progress with a target date in the near future:

FINDING	OWNER	TARGET DATE	CURRENT STATUS
GL-CLIENT-YYYY-###	[Owner]	YYYY-MM-DD	In progress
GL-CLIENT-YYYY-###	[Owner]	YYYY-MM-DD	In progress

4. What is overdue and why

Findings past their target date. For each, state the reason and the decision needed from leadership.

FINDING	DAYS OVERDUE	OWNER	REASON FOR DELAY	DECISION NEEDED
GL-CLIENT-YYYY-###	#	[Owner]	[Brief]	[Yes/No, if yes, what]

If nothing is overdue, state that plainly: "No findings overdue this month."

5. What GigLine observed this month

Two to five short paragraphs. Plain language. Written to be read by a plant manager over lunch, not by a lawyer for a filing.

Include the walkthrough focus for the month (per the SOP rotation), what looked good, what did not, and one or two specific observations that support the findings in Sections 2 through 4.

6. What GigLine recommends next month

- **Walkthrough focus:** [Next month's rotation topic]
- **Record review focus:** [Next month's rotation topic]
- **Toolbox talk topic:** [Suggested]
- **Decisions requested from leadership before next visit:** [None / list]

7. Capacity summary

BUCKET	HOURS USED THIS MONTH
On-site walkthrough and review	#
Documentation prep	#
Remote support (email, calls)	#
Management review meeting	#
Total	#

Included monthly capacity: **8 hours**. Remaining, if any: #.

If the month exceeded capacity, state: - The overage in hours - Whether it was absorbed as a one-time courtesy or is being tracked as a change-order proposal - Any impact on next month's scope

This summary is prepared under the Ongoing Safety Support engagement. It reflects observations within the agreed scope and monthly capacity. It is not an OSHA-approved audit and does not certify compliance. The employer retains authority and responsibility for corrective actions and compliance obligations.
